Thursday 12th November 2020

Dear Parents, Pupils and Carers,

This week, we held successful parent consultation evenings via phone calls, from year 1 to year 5. Thank you to all parents who were able to keep the appointment, as it provides an invaluable opportunity for you to discuss your child's progress, behaviour and attitude towards their learning. If you were unable to keep the appointment, please call the school office to rearrange it. Year 6 Parents had face to face, socially distanced meetings with their respective class teacher, to ensure pupils received important transition support for Secondary school. We would like to thank all staff members involved in Parent Consultation.

A special thank you to parents and children of **RS** for their outstanding attendance last week - **98.5%**

Remembrance Day

Remembrance Day, also known as Armistice Day, marks the day World War 1 ended.

On Wednesday 11.11.2020 the whole school observed a 2 minutes' silence to remember the people who have died in wars.

Maths Week: This week all pupils took part in different activities aimed at thinking positively towards Maths! The activities helped pupils to develop skills that will help them to work through real life challenges and situations, allowing them to respond with awareness, creativity and deliberate strategies, in order to achieve a positive outcome. The winners of the Times Tables Rock Stars competition will be announced on Monday.

Tomorrow our amazing school **choir** are being filmed by Place2be for the Annual Lord Mayor's Appeal fundraising event. The choir have been practising very hard, and have produced a moving and fun performance of "When I Grow Up from Matilda the musical. We hope to be able to share the performance with you soon. Thank you to our choir members for working so hard over the last few weeks.

As mentioned in the assembly this week, **tomorrow we encourage everyone to wear spots** to raise funds for **BBC Children in Need**, a charity which supports disadvantaged young people across the UK.

As days are becoming shorter and the evenings are getting darker please remind children, to go straight home after school, be alert to strangers and not to engage in conversations with them. We will also reinforce this message during **Road Safety Week, next week**. Children will receive further information about the Highway Code, safety when crossing roads, cycling proficiency tests, and the importance of cycle helmets and high visibility clothing when cycling,

Next week is Anti-Bullying Week and the theme this year is 'United against Bullying'. We will be holding Odd Socks Day on Friday, 20th November 2020, where children and adults wear odd socks to school to celebrate what makes us all unique. With the major shift towards Online Learning, we will also talk about Cyber Bullying in our assembly on Monday. Cyber bullying is any form of bullying which takes place online or through smartphones and tablets.

Finally, I would like to wish Happy Diwali to all the members of our community celebrating the festival of lights this weekend. We will celebrate Diwali in our school with a special menu in the dining hall on Monday, 16th November. If your child wishes to enjoy the delicious Indian vegetarian menu, please inform the school office.

Kind Regards,

Ms Mehta

Assistant Head Teacher

Key dates:

Google Classroom training dates (via Zoom):

- Year 4,5 and 6: Tuesday 24th November 10am

A Zoom link will be emailed to you before the meeting.

Dear Parents,

The EYFS team has noticed that a number of children are using the climbing equipment in the EYFS playground at the end of the day. **Please note:** climbing equipment is not being supervised and therefore a danger to all children. **It should not be used at the start or end of the day.**

Kind regards

The EYFS Team
