

Back to school Expectations –Year 1 June 2020

CHALKHILL PRIMARY SCHOOL

We are excited to welcome the Year 1 pupils back to Chalkhill Primary School on **Monday 29th June**. The school has carried out a detailed risk assessment and is following guidelines from the government. We have created the following guidelines to help keep the children as safe as possible. These guidelines may change and parents need to check their emails and the school website for up-to-date information. The risk assessment carried out by the school is available on the following link.

On return to school your child will be assigned a 'bubble'. A bubble will contain the same teacher and group of up to 7 children every day. The teacher for each bubble will not be your child's class teacher.

Children will remain in this 'bubble' throughout the school day. Strict social distancing rules will be in place where possible. If a child does not follow the behaviour expectations, parents will be informed immediately and the child may need to be sent home.

Parents will not be allowed to enter school premises, unless the school has contacted them to come and collect their child.

There will be **no school on Fridays for Y1 pupils**, in order to carry out a deep clean of the premises.

Pupils will be expected to attend every day and to be punctual according to their start time. **If a child misses a day they will not be able to attend for the rest of the week.**

TRAVEL TO AND FROM SCHOOL

- We expect children to social distance outside school, including on the way to and from school.
- When travelling on public transport, it is compulsory to wear face masks. However, these will need to be disposed of at the school gate in the bins provided.
- It is recommended to walk, scoot or cycle to school. If you are dropping your child off by car, respect parking restrictions around the school.
- At all times adhere to health and safety notices outside school.

THE SCHOOL DAY

Each 'bubble' will have their designated start and finish times, which will be communicated through teachers or office staff.

- The school day, for Year 1 pupils, will run for three- hour (morning) sessions, Monday-Thursday 9:00-12:00.
- Year 1 pupils will enter and exit via the usual pupil entrance.
- If pupils are late, please take them to the reception as normal.
- They will read against the health and safety checklist upon arrival to school.
- Pupils will use external doors and avoid main corridors except to access the dining hall.
- All pupils will be expected to wear school uniform with trainers, as PE will be happening but children will not get changed for the lesson.
- Pupils **must not** bring bags or equipment from home, **except water bottles**, which will be essential.
- School will provide individual work packs for pupils, which will stay in school.
- All pupils must follow school behaviour expectations and the instructions of teachers and other staff at all times.
- To support pupils to remember the rules, signage and safety posters will be displayed.

- All pupils will display good hand hygiene by washing their hands for 20 seconds with soap and hot water on entering and leaving their classroom (at start and end of day, break time, lunch time) and after going to the toilet and when necessary.
- If a pupil sneezes or coughs, they will be expected to catch it, bin it, kill it, and wash their hands. Tissues will be provided in each classroom.
- Any concerns must be reported immediately.

IN THE CLASSROOM

Pupils must keep their distance, only sit in their allocated place and use their work pack.

Movement around the classroom must be kept to a minimum. There is a possibility that pupils may not be in their normal class. This is to ensure that social distancing protocols are being met.

EVACUATION AND FIRE SAFETY

The new evacuation routes and rules will be practised on return to the school site and signage will be in placed in each classroom.

BREAK TIMES

Break times will be taken in 'bubbles'. Social distancing and playground rules continue to apply. No football will be allowed as this is a close contact sport. The climbing frames equipment will also be closed. The children will have access to sports equipment organised by the teachers but will not be able to bring any personal equipment into school.

LUNCH TIMES

To minimise pupil congestion in the dining hall, Year 1 pupils will be given a packed lunch before leaving school. Pupils will not be able to bring in their own packed lunch from home.

IF YOUR CHILD OR ANYONE IN YOUR HOUSEHOLD STARTS TO DISPLAY THE FOLLOWING COVID-19 COMMON SYMPTOMS:

- loss of smell/taste / skipped meals
- Unusual shortness of breath / unusual fatigue / fever

- Persistent cough /hoarse voice
- Diarrhoea / abdominal pain
- Unusual chest pain or tightness in your chest
- Confusion, disorientation, drowsiness

Follow the government guidelines, phone NHS 111 and inform the school. **Do not send your child to school.**

It is vital that you follow the government guidelines, visit the website www.nhs.uk/coronavirus or call 119 to book a test for your child as soon as possible. The test results must be passed to the Head Teacher, who will make the decision if the child can return to school.

All parents of children within this bubble will be contacted and advised to follow government guidelines. If a child within the bubble develops symptoms, please follow the action above and inform the school.
