Virtual Sports Day Event

Dear all,

We hope you all are keeping well and staying safe. We are hugely disappointed that due to the current pandemic circumstances we are unfortunately unable to run and host our traditional annual Sports Day event, as usual for this time of the year. It is a fantastic way to celebrate our pupils' efforts and achievements in sports and to end the sporting year.

However, not to be deterred and remaining true to the school's vision of diverse and exciting curriculum, we have planned to run this event remotely. We would like to invite the whole school community to participate in our **Virtual Sports Day** between Monday 6th July and Thursday 9th July 2020. Choose from a variety of events, get the whole family involved, be that indoors or out in the garden or your local park.

Full details of this event is attached for your information. Despite the current restrictions I am absolutely sure that we can all get involved and still enjoy these traditional events.

If you have any questions regarding the Virtual Sports Day Event do not hesitate to contact us.

Thank you for your on-going support at all our events this year, let us look forward to another full year of sporting achievements next year.

Yours sincerely,
Mr Rubaninsky
