Monday, 7<sup>th</sup> September 2020

#### **Please note**

Nursery children have a staggered entry. Your child's start date has been posted to you.

### *Packing my nursery bag*

These are the skills and knowledge I need to be successful in Nursery:

1. I can put on and take off and my coat.
2. I can go to the toilet by myself and wash my hands.
3. I can hang up my coat and take off my shoes.
4. I can recognise my name, hold a pencil or pen to draw a picture and talk about my drawings.
5. I can speak to an adult about how I feel and what I need.
6. I can listen to what others say and try and answer.
7. I can talk about myself and my family.
8. I can share and take turns.
9. I can count up to and down from 5 and sing some number songs.
10. I can wait a little while before my wishes or needs are met.

Here are some useful websites for home learning over the summer:

<https://www.bbc.co.uk/tiny-happy-people/>;

<https://abcdoes.com/home-learning/>

<https://nrich.maths.org/early-year/>

<https://whiterosemaths/homelearning/early-years>

We wish you all a wonderful summer and look forward to meeting you in September.

The Nursery Team
