

Year 2 Summer Homework

Dear Year 2,

Welcome children and parents to Year 2. We are very excited to teach you in September and look forward to our journey together over the coming year. In order to prepare for September, we would like you to complete the following activities and bring the work into school on the first day back.

Science topic is Materials - Create a poster about the properties of different materials such as glass, brick, rubber and plastic.

Geography topic is Continents and Oceans of the world – Carry out some research about one of the continents of the world and present it as a fact file.

English – It is vital that you read every day, and share books with your parents and siblings. Set yourself a reading challenge. How many books can you read over 6 weeks? Maybe you could take a picture of yourself next to the pile of books you have read!

Maths – Learn by heart multiplication and division facts from the 2, 5 and 10 times tables. Practise number bonds up to 10 for example $4 + 6 = 10$ or $2 + 8 = 10$

We hope you stay safe and have a lovely summer.

Ms Butler and Ms Patel

Year 2 Team

Ms Butler (2B)

Ms Khan

Ms Patel (2P)

Ms Snyder

Ms Keram
