

Year 6 Summer Homework

Dear Year 6,

We are very much looking forward to teaching you when you return to school in September. The Autumn term will be full of exciting topics; we have therefore set you some homework over the summer holidays so that you will be fully prepared when you come back to school. We have created homework resource file to help you with your homework

Please complete the following activities and bring the work into school on the first day back:

Science topic is Animals including Humans - Create a poster with a diagram to explain how a human heart works.

Geography topic is Rivers - You will create a well-presented 3D model or a poster of a river.

Your model/poster will include these features:

- The three different courses of a river
- A waterfall and gorge
- A meander and ox-bow lake
- Flood-plain and levee

All of these features will be clearly labelled.

Pig Heart Boy by Malorie Blackman will be the **first core text for English** - write a biography about the author.

Poetry - Learn to recite the poem, *'Heart to Heart'* by Rita Dove.

In addition, please make sure that you continue to read regularly; learn Year 5 and 6 spelling words; and learn by heart all multiplication and division facts up to 12 x 12.

We hope you stay safe and have a lovely summer.

Year 6 Team

Year 6 Team

Ms. Mehta (6MB) - Teacher

Ms. Bond - Teacher

Ms. Corbette - TA

Ms. Duffus - LSA

Ms. Aliaj - LSA

Mrs. Merlusca (6M) - Teacher

Ms. Laci - TA

Ms. Mason - LSA
