Key dates

Parent Meetings
Wednesday 2nd September
Thursday 3rd September
Date and times for individual appointments to be confirmed

Term begins
Monday 7th September 2020

Year 5 Summer Homework

Dear Year 5,

We are very much looking forward to teaching you when you return to school in September. The Autumn term will be full of exciting topics; we have therefore set you some homework over the summer holidays so that you will be fully prepared when you come back to school.

Please complete the following activities and bring the work into school on the first day back:

Science topic is Materials and Properties- Choose an object at home. Draw a picture of it and label the different materials it is made from. Identify the properties these materials have, and why they were chosen to make the object.

Geography topic is Mountains- Draw a mountain range that includes all of the following features: summit, foot, outcrop, valley, ridge, slope, snow line, tree line, plateau, face.

Secret Lake by Karen Inglis will be the first core text- write a biography about the author.

Poetry- Learn to recite the poem, 'One' by James Berry.

In addition, please make sure that you continue to read regularly; practise year 4 and 5 spelling words; and learn by heart all multiplication and division facts up to 12 x 12.

We hope you stay safe and have a lovely summer.

Mrs Rizwan and Mr Frederick
