

This risk assessment will be reviewed regularly and is therefore subject to change. Safeguarding is the responsibility of all staff, therefore all incidents must be recorded and reported in a timely fashion in order to maintain a culture of vigilance.

CHALKHILL PRIMARY SCHOOL - WORKPLACE COVID-19 RISK ASSESSMENT																																												
<b>Risk Assessment Title:</b> CHALKHILL PRIMARY SCHOOL	<b>Date of Assessment:</b> 25/06/2020 <b>Updated</b> 10 <sup>th</sup> September 2020	<b>Assessor Name:</b> Martin Francis	<b>Assessor Position</b> Chair of Governors																																									
<b>Review Date:</b> 17/09/2020  <b>Risk Assessment Context:</b>	<p>The school has fully assessed how many pupils and staff can be on site at any one time from the 3rd September 2020. This decision is based on government guidance. Individual risk assessments and guidelines for distancing are now fully in place. All pupils will return to school from September 7<sup>th</sup>, however start times, breaks, lunches and home times will be staggered in order to maintain Year group bubbles. No visitors, including parents will have access to the school site except in exceptional circumstances.</p> <p><i>Weekly updates are actioned as directed by the DfE. The structure of the phased return will be as follows:</i></p> <p>Staff INSET will take place on Wednesday 2<sup>nd</sup>, Thursday 3<sup>rd</sup> and Friday 4<sup>th</sup> September 2020. All pupils will return on Monday 7<sup>th</sup> September 2020.</p> <p><b>Safeguarding</b> Everyone is responsible for the safeguarding of children, and should report any concerns or incidents in a timely manner. Staff must stay alert and vigilant on site all day every day.</p> <p><b>Start and finish times</b></p> <table border="1"> <thead> <tr> <th></th> <th>Start:</th> <th>Where from:</th> <th>Finish:</th> <th>Where from:</th> </tr> </thead> <tbody> <tr> <td><b>EYFS</b></td> <td>Nursery 8:45 Reception 8:45</td> <td>Pupil entrance</td> <td>Nursery 15:30 Reception 15:15</td> <td>Pupil entrance</td> </tr> <tr> <td><b>Year 1</b></td> <td>8:40</td> <td>Football pitch</td> <td>15:00</td> <td>Football pitch</td> </tr> <tr> <td><b>Year 2</b></td> <td>8:40</td> <td>Football pitch</td> <td>15:00</td> <td>Football pitch</td> </tr> <tr> <td><b>Year 3</b></td> <td>8:50</td> <td>Football pitch</td> <td>15:15</td> <td>Football pitch</td> </tr> <tr> <td><b>Year 4</b></td> <td>8:50</td> <td>Football pitch</td> <td>15:15</td> <td>Football pitch</td> </tr> <tr> <td><b>Year 5</b></td> <td>8:45</td> <td>Anton Place</td> <td>15:15</td> <td>Anton Place</td> </tr> <tr> <td><b>Year 6</b></td> <td>8:55</td> <td>Anton Place</td> <td>15:25</td> <td>Anton Place</td> </tr> </tbody> </table>					Start:	Where from:	Finish:	Where from:	<b>EYFS</b>	Nursery 8:45 Reception 8:45	Pupil entrance	Nursery 15:30 Reception 15:15	Pupil entrance	<b>Year 1</b>	8:40	Football pitch	15:00	Football pitch	<b>Year 2</b>	8:40	Football pitch	15:00	Football pitch	<b>Year 3</b>	8:50	Football pitch	15:15	Football pitch	<b>Year 4</b>	8:50	Football pitch	15:15	Football pitch	<b>Year 5</b>	8:45	Anton Place	15:15	Anton Place	<b>Year 6</b>	8:55	Anton Place	15:25	Anton Place

<b>COSHH Assessment Required?</b> No			
<b>Manual Handling Assessment Required?</b> No			
<b>Noise Assessment Required?</b> No			

Evidence of understanding the requirements of this Risk Assessment must be recorded in the briefing register (see [Appendix A](#)). Please specify the work activity covered within the briefing register. [Table S1 Criticality Matrix](#)

Likelihood of Occurrence (L)	Severity Rating (S)				
	Major	Serious	Significant	Minor	Negligible
Certain	25	20	15	10	5

Occasionally	20	16	12	8	4
Probable	15	12	9	6	3
Unlikely	10	8	6	4	2
Improbable	5	4	3	2	1

**Table S2 Severity Rating (S)**

**Table S3 Likelihood Rating (L)**

1	Negligible	Slight, no potential risk of injuries, no significant effect on health and safety
2	Minor	Minor injuries or equipment damage, minimal effect on health and safety
3	Significant	Significant injuries or multiple minor injuries, equipment damage and effect on health and safety
4	Serious	Severe/multiple injuries, equipment damage or major environmental effect that can be controlled
5	Extreme	Death and/or serious structural damage or major environmental effect that cannot be controlled

1	Improbable	A highly unlikely event
2	Unlikely	An unlikely event, could occur if control measures are disregarded
3	Probable	An event which may occur despite existing control measures
4	Occasionally	An event likely to occur unless control measures are improved
5	Certain	An event which will occur unless immediate controls are applied

**Table S4 Scoring Matrix (R)**

1-4	Low	Activities in this category present minimal levels of impact or risk and are unlikely to occur, proceed with these activities as planned and monitor against objectives
5-9	Medium	Activities in this category present minor levels of impact or risk. The application of risk management strategies to reduce the impact or risk is advised. Consider ways of modifying the process or implementing controls to reduce the impacts and risks to as low as reasonably practicable (ALARP)
10 +	Serious	Activities in this category present serious and unacceptable levels of impact or risk. Consider ways of modifying the process and implementing controls to reduce the impacts and risks to as low as reasonably practicable (ALARP). Additional control measures and monitoring may be required.
15 +	High	Activities in this category present high levels of impact or risk and should not be allowed to proceed without very careful planning. Consider consulting specialists. The company should evaluate whether the activity is necessary in the first place or whether alternative processes are available.
20 +	Extreme	Activities in this category present extreme levels of impact or risk, such as loss of life or breach of legislation and must not be undertaken.

The risk rating (R) is calculated by multiplying the likelihood (L) by the severity (S),  $L \times S = R$ . In this way, the potential of a risk affecting operations is evaluated according to its perceived severity. Where a legislative requirement for change is identified, an automatic score of 25 is given since immediate corrective action is required to ensure compliance. All hazards which present legitimate concerns to stakeholders or clients also receive an automatic score of 25 in order to initiate immediate corrective action. The results of the above scoring methodology are recorded on the risk register. From this, the risks are prioritised for action on the basis of their risk score.

**Five Steps to Risk Assessment**

Step 1	Look for hazards	Walk around the work area, paying attention to activities and materials that have the potential to cause harm. Identify materials and substances, as well as equipment and tools. Observe activities in the workplace as well as how people perform the activities. Ask employees what they think and review applicable manufacturers' health and safety data sheets.
Step 2	Decide who might be harmed and how	Groups of people that may be affected including school staff, cleaners, maintenance personnel, Pay particular attention to disabled people, staff 60+, BAME people, separate individual risk assessments for staff at high risk, essential visitors and lone workers
Step 3	Evaluate the risks and decide whether current controls are adequate	Consider how likely it is that each hazard could cause harm by using risk ratings to prioritize risk. Determine whether or not you need to do more to reduce the risk and implement control measures (actions list) if the risks are not adequately controlled
Step 4	Record your findings	Keep written records for future reference in order to demonstrate compliance to legal requirements (e.g. manual handling, working in confined spaces)
Step 5	Review risk assessments and revise if necessary	Review and revise the risk assessment when there is any significant change (e.g. new hazards arise due to new substances and processes). Regularly review the risk assessment to check that the precautions for each hazard still adequately control the risk and, if necessary, reassess the risk.

<p>Increasing the confidence of Staff and Pupils returning to school in September 2020, following the school closure (20<sup>th</sup> March 2020)</p>	<p>Exposure to COVID-19 Virus</p>	<ul style="list-style-type: none"> <li>- Planned rota failings.</li> <li>- Identified symptoms of COVID-19.</li> <li>- Staggering of drop off and collection point failings.</li> <li>- Failure of staff to wear appropriate PPE and RPE.</li> <li>- Everyday hygiene and COVID-19 control procedures lapse</li> </ul>	<p>4</p>	<p>4</p>	<p>16</p>	<p>High</p>	<ol style="list-style-type: none"> <li>1. All staff and pupils will confirm their fitness upon arrival at school each morning. Anyone displaying Covid symptoms on page 1, will not be allowed access to the school building.</li> <li>2. BAME staff on public transport to avoid travelling during rush hour and to have a later start. 4 staff members</li> <li>3. All staff to complete health questionnaire and individual risk assessment with travel and individual adjustments recorded.</li> <li>4. Drop off / collection times will be staggered between 08:30 a.m. – 09:15 a.m. and afternoon between 1500 and 15:30. All pupils will be required to wash / cleanse their hands upon entry and exit, before lunch, after lunch and after using the toilet.</li> <li>5. In order to keep bubbles intact there will be no breakfast or after school clubs during the autumn term. This will be reviewed on a half termly basis.</li> <li>6. As far as possible, desks will be placed in rows and front facing, in line with government guidelines. KS1 in groups</li> <li>7. The school will place safety awareness signs outside the school gates to ensure parents maintain the social distancing rules of 2 metres. (24<sup>th</sup> June new guidance in place for 1 metre)</li> <li>8. All school staff will be provided with a full-face visor, hand sanitiser and washable masks. In addition, hand sanitiser and disposable masks will be available throughout the school.</li> <li>9. Only adults to use the internal corridor. Pupils to use external doors to move to class, playground and dining hall.</li> <li>10. All staff to the school will fob in as usual. The visitor signing in and out terminal will be deactivated.</li> <li>11. Breakfast and Afterschool Clubs will not be running during the pandemic.</li> <li>12. Kitchen staff will wear PPE so that pupils can go to the serving hatch. Pupils will have a staggered lunch within bubbles.</li> <li>13. Lunch to take place in dining hall and KS1 hall.</li> <li>14. Playground to be zoned for each bubble</li> <li>15. Any staff member, pupil or visitor who reports as having the symptoms of COVID-19 as list on page 1 of this Risk Assessment must report this to the Head Teacher. Encouraged to book next day COVID-19 test available at Swaminarayan, Harlesden, on the Brent website or within their locality. All visits essential only and prebooked. Health questionnaire to be completed in advance</li> <li>16. No large gatherings e.g. assemblies, staff inset, concerts.</li> <li>17. No singing or swimming until further notice – please see separate music risk assessment</li> </ol>	<p>4</p>	<p>1</p>	<p>4</p>	<p>Low</p>

Ensuring the safety of pupils and staff within the classroom	Exposure to COVID-19 Virus	<ul style="list-style-type: none"> <li>- Failure of teachers keeping their pupils at their desk during the day.</li> <li>- Class sizes going over planned quota.</li> <li>- Everyday hygiene and COVID-19 control procedures lapse</li> </ul>	4	4	16	High	<ol style="list-style-type: none"> <li>1. Pupils and staff to wash their hands with soap and water after entering the classroom, particularly after coming to school and after breaks, after sneezing, after using the toilet and before and after handling or eating food.</li> <li>2. All the adults are provided with alcohol-based sanitisers and sanitisers provided in main areas of school.</li> <li>3. Where possible windows to be kept open to increase airflow and ventilation.</li> <li>4. Internal doors will remain open throughout the school building to avoid contamination with door handles.</li> <li>5. Staff to encourage pupils to avoid touching their face with unwashed hands.</li> <li>6. Tissues will be provided in classrooms, and staff to ensure that both they and pupils sneeze and cough into them before being binned. (in line with the "catch it, bin it, kill it" message) and avoiding touching your mouth, nose and eyes.</li> <li>7. Staff to identify those pupils' in their class that need support with this.</li> <li>8. The school will provide a second pedal lid bin for each classroom for used tissues in addition to the general wastepaper bin, which will be emptied at various intervals throughout the day.</li> <li>9. Pupils will be instructed not to bring anything to school i.e. rucksacks / book bags etc. Pencils / rulers and stationery etc. will be provided by the school and placed in a plastic zipped wallet labelled with the pupil's name. Bag to be left on chair each day.</li> <li>10. Soft toys in classroom bubbles only. Rotation of play equipment boxes for each day to minimise contamination and aid cleaning.</li> <li>11. Pupils to bring their own water bottle with their name on it or provided with a Chalkhill bottle. No water fountains to be used. Bottles to be refilled in classrooms. Bottles left at school to be washed each day.</li> <li>12. PE lessons to take place in their school uniform. Pupils authorised to wear trainers to school with uniform. Please see PE risk assessment</li> <li>13. PE lessons will be taught outside. All contact sports to be avoided i.e. football. PE teacher to consider athletics for pupils.</li> <li>14. Outdoor equipment will be cleaned before and after user.</li> <li>15. Each bubble to be provided with outdoor equipment</li> <li>16. Each pupil to have a dedicated skipping rope and ball</li> <li>17. Pupils to wear PE kit to school on PE days</li> <li>18. Unnecessary items will be removed from classrooms where there is space to store it in unused rooms. Resource trays and pupil trays to be sanitised after use.</li> </ol>	4	1	4	Low
