The Harvest Festival is celebrated by Christians to give thanks for the crops that have grown successfully and have been harvested safely. It is a time to be grateful for the variety of food that the god provides and everything that helps it to grow.

At Chalkhill, irrespective of what faith we belong to, we are thankful for all the good things in our lives and kind, to help those who are less fortunate than us. With this goal in mind, we are asking everyone to bring in any one item from the following:

Baked beans	Pasta/spaghetti	Pasta sauces
