Thursday 19th November 2020

Dear Parents, Pupils and Carers,

Last Friday, we raised money for **Children in Need**, the charity makes a massive difference in supporting vital projects that change the lives of children and young people all over the UK. We raised just over **£400**; thank you for your generosity.

It has been another busy week at Chalkhill. The children have been learning about Anti-Bullying and the theme this year is 'United against Bullying'. We will be holding **Odd Socks Day tomorrow**- Friday, 20th November 2020, where children and adults wear odd socks to school to celebrate what makes us all unique. Children were also informed about how to tackle Cyber Bullying in our assembly on Monday. Cyber bullying is any form of bullying which takes place online or through smartphones and tablets.

Thank you to Mrs Bernasconi for leading an assembly about **Road Safety**, reminding children about how to cross the road safely including the Green Cross Code, the importance of cycle helmets and high visibility clothing when cycling. In addition, I would like to thank all the parents, who park sensibly at the start and end of the school day. Please drive cautiously by the Anton Place entrance which is being used for Upper Key Stage 2. If you have any further questions about Road Safety, please speak to the JTA team, Mrs Shanker or Mrs Bernasconi.

G-suite Training for parent/carers and Consent form:

On Tuesday, 24th November at 10am, I will hold a Google - Suite training for parents/carers (via Zoom). It will be repeated every Tuesday this term. Thank you to all the parents/carers for completing the consent form in order for us to create accounts for your children so that they can access the remote learning platforms. Please provide your consent if you have not done so already (if you have more than one child in the school, please fill in for every child separately) on the following link.
