Headteacher: Ms. Rose Ashton

Dear Parents and Carers,

Welcome to the Summer Term. We hope you all had a fantastic Easter holiday. We are now in our Summer Term and with that comes a variety of new targets and topics. The following information will support your child's learning in Year 3.

Attendance and Punctuality

School begins with a soft start at **8:45am** where pupils will be able to enter the classroom for their morning activities and finishes at **3:15pm**. We expect your child to be in school **everyday and on time**. Please make any appointments your child needs outside of school hours. Children need to be in school everyday if they are to succeed.

Water Bottles

A **labelled** water bottle to be brought to school every day.

School Uniform

Ensure that your child wears the correct school uniform **everyday**. Every item of clothing must have their name written inside. Please make sure your child wears their **PE kit** to school on a **Monday** and **Wednesday**.

Homework

Homework will be posted on seesaw on a **Friday** and needs to be submitted on **Tuesday**. **Children are expected to read for at least 15 minutes every day**. All children have their login details for bug club and can access this resource remotely. Times tables and spellings are part of homework and must be learnt. Times table and spelling tests are done on Fridays.

Below you will find the topics which we will be covering this term. Any help and support that you can give your child would be appreciated.

Literacy

Core text – The Miraculous Journey of Edward Tulane by Kate DiCamillo

Non-fiction

Reports – linked to science

Non – fiction: focus on comprehension

Fiction

Adventure stories

Fables

Poetry

Limericks

Looking closely at a poet

Numeracy

Problem Solving

Data

Angles

Fractions

Measure

Targets

Targets for this term that the children will be working towards are:

| Reading | Writing | Maths | Science |
|--|---|---|--|
| I can explain and discuss my understanding of what I have read, drawing inferences and justifying these with evidence. | I can use subordinate and embedded clauses in a sentence. | I can add, subtract and compare fractions with the same denominator. I can recognise equivalent fractions. I can solve fraction problems. | I can use results to draw simple conclusions, make predictions for new values, suggest improvements and raise further questions. |
