Year 6	Research and compare a Commonwealth country to UK		How will our world look in the future?  Unit 6 UPKS2

Please remember that you can adapt and change this unit of work to suit your class. Do not forget about using first and secondary resources. Make sure you plan for outdoor learning where you can. In the Autumn term you should be carrying out cross curricular learning with Black History Month, as you will be learning about the Commonwealth.

All the units can be found as a hard copy in your packs or visit the website online where you will also find additional resources:
