Dear Parents,

We have come to end of another busy summer half term. The pupils have worked incredibly hard in school and the staff have worked tirelessly to ensure that pupils continue to be safe and make progress in their learning. Once again, I would like to thank you for all the support you have given to your child and the school. An assessment fortnight will take place **when school resumes on Monday 7th June**. Pupils will be given a range of assessment activities to find out what they have learnt and to identify areas they still need to work on. Please support your child to practise key skills in reading, writing, maths and science over the half term so that they are prepared for the assessments. There will also be ongoing assessments in the foundation subjects.

Year 2 Great Fire of London

"On Wednesday, we re-created the Great Fire of London in the playground. We used lots of our Tudor houses to make a model Pudding Lane. The houses caught fire very quickly, and the whole street burned in about 5 minutes. Mr Ricardo and Mark were the fire wardens and made sure we were safe. The fire was so exciting. I will never forget it." Hamdi, Year 2.

RSHE Curriculum

Next half term, pupils were due to cover the 'Changing Me' topic for RSHE where they would learn about different parts of the body along with changes that will happen inside and outside as they get older. This learning comes under the puberty section of 'Child and Adolescent Body' which is a compulsory part of the curriculum. However, after consultation with staff and parents, we have decided to postpone this topic until further consultation has taken place. **We will therefore hold additional meetings after half term for parents to discuss and agree the curriculum for RSHE in time for the next academic year.** In the meantime, for more information, please contact your child's class teacher or look on the school website in the Curriculum/ PSHE section: <https://www.chalkhillprimaryschool.co.uk/page/?title=RSHE&pid=222>
