Friday 18th June 2021

Dear Parents,

The week began with the continuation of the wonderful weather that we had over the weekend. Sadly, I think it is now safe to say that the heatwave has well and truly passed with the arrival of heavy rain! I would like to thank all parents for ensuring that their child was adequately prepared for the hot weather- including the wearing of appropriate clothing, a hat, applying sun cream and bringing their water bottle into school. When the weather is hot, all staff try their best to keep the children safe as we encourage pupils to remove school jumpers, to drink water, and to take regular breaks in the shade whilst outdoors. Please reinforce the importance of sun safety at home so that we do not have any pupils being ill as a result of the hot weather.

## **Covid19 updates**

On Monday, the government briefing confirmed that there will be a four-week delay to the complete removal of all legal limits on social contact as well the reopening of all remaining premises, and easing of restrictions on large events and performances. Unfortunately, this announcement was expected considering the concerning news in the rise of positive cases as a result of the delta variant. It is there vital that we continue to adhere to government guidance in term of good hygiene practice, mask wearing and social distancing. Please visit the following website for further information: <https://www.gov.uk/coronavirus>

## **Parent meetings**

Thank you to all the parents who attended the parent coffee mornings on Tuesday, Wednesday and Thursday. We hope you found it useful and please let us know if you would like a copy of the slides.

## **RSHE Consultation**

We had over 50 parents in attendance for this morning's RSHE consultation meeting, which was very positive and productive. I would like to thank all parents who attended and contributed to the discussions. There will be a repeat meeting this afternoon at 4:30pm, so please attend if you can. We will keep you informed of further consultation dates. These will mostly likely take place in year groups. In the meantime, for more information, please contact your child's class teacher or look on the school website in the Curriculum/ PSHE section: <https://www.chalkhillprimaryschool.co.uk/page/?title=RSHE&pid=222>

## **Upcoming Key Dates**

Week commencing Monday 21<sup>st</sup> June: Year 6 transition days at secondary schools (please check your emails)
